

AO Trauma Switzerland Science Award 2025 Apply now!

Deadline to submit - January 31, 2026, 17:00 CET

About the award

The AO Trauma Switzerland Board is delighted to announce that applications are now open for the science award. With this award we would like to engage and support young motivated scientists working or studying in Switzerland who have published in the field of orthopaedic trauma.

The AO Trauma Science Award 2025 is a contribution of up to CHF 1000. The winner will also receive an award certificate.

Submission guidelines

In order to submit a paper for the AO Trauma Switzerland Science Award 2025, please follow the guidelines below:

- The paper language is English.
- Only clinical topics will be accepted; laboratory studies will not be considered.
- You can submit only one paper.
- Main author must be based in Switzerland and an AO Trauma Switzerland member.
- Only main author will receive the award.

How to apply

- Applications are open to AO Trauma members based in Switzerland who have published clinical research work in 2025 on orthopedic trauma.
- Submit your paper in PDF format to stefanie.walser@aofoundation.org
- The deadline to submit is January 31, 2026, 17:00 CET.

Presentation of papers Spring 2026

Main authors of the three best papers selected by the AO Trauma Switzerland Board, will be invited to present their paper at the AO Trauma Switzerland Annual Meeting. The authors will present to all those in attendance at the meeting, and the audience will vote for a winning paper. The award winner will be announced at this meeting and to the AO Trauma community.
