

## **AOTrauma Asia Pacific Research Grants: Final report**

Project No:

Project title:

Investigators:

Start date of the project:

End date of the project:

### **1. Brief description of project**

### **2. Objectives/milestones**

\*What were your research plans and objectives for the period covered by this report? (List the main objectives for the corresponding year as stated in the original proposal in order of priority.)

\*What were your milestones for the year covered by this report? (Describe in a few sentences the major milestones and goals as stated in the original proposal.)

\*Have there been any changes in objectives during the period covered by this report? If yes, please explain.

\*Achievements of the research (describe the extent to which the objectives/milestones mentioned above have been achieved).

### **3. Progress of the research**

\*Outline the methodology used in the research.

### **4. Changes in the research**

\*Was there any significant change in the research compared with the original proposal? If yes, please explain and give reasons for changes.

### 5. Time schedule

\*Is the project within the suggested time schedule as outlined in the application? If not, please give reasons and add an updated schedule.

### 6. Outlook

\*What are your research plans and key objectives for the next period of this project?

### 7. Publications and presentations resulting from this project

\*List all articles and presentation which are published, accepted, submitted, in preparation now or planned for future for publication (please provide authors, year, title, journal volume and page numbers for all published and accepted articles; and include a pdf of any publication).

### 8. Additional comments

Date:

**Please hand in the final report directly to AO Research Asia Pacific, Denise Fung at [denise.fung@aofoundation.org](mailto:denise.fung@aofoundation.org). Thank you!**
